Step-Up Features

Posturepedic

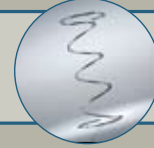

PREFERRED SERIES

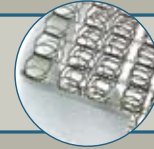

Cool Max Fabric
Improve air circulation to help reduce humidity build up, creating a pleasant micro-climate while you sleep.

3-Zone SuperSoft Pressure Relief Inlay
Sculpted inlays deliver relief to targeted zones of your body.

PostureTech™ Innerspring
Provides support to the heaviest parts of your body and properly distribute weight.

UniCased™ Edge Support
Forms a solid perimeter around the bed to provide a smooth edge transition and a more supportive edge.

Posturepedic

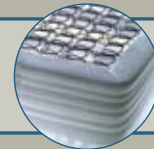

RESERVE SERIES

Organic Cotton Fabric
Eco-friendly process that does not use harmful or toxic pesticides in the fabric cover of the bed. Good for you and the environment. Especially good for those who suffer from allergies and chemical sensitivity.

3-Zone Memory Foam Pressure Relief Inlay
Memory foam and sculpted foam inlays deliver relief to targeted zones of your body.

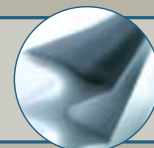

UniCased™ XT
Forms a solid perimeter around the bed to provide a smooth edge transition and a more supportive edge.

Posturepedic

SIGNATURE SERIES

7-Zone Memory Foam/Latex/Memory Foam Pressure Relief Inlay
Memory foam and latex inlays deliver relief to targeted zones of your body.

Posture Channels
Works with the Posturepedic innerspring to enhance support of the lumbar region and the back of the legs so you maintain proper body alignment while you sleep.
